Dear Ms. Hanford,

At our District Council #4/Painters Local Union #31 monthly union meeting held on September 4, 2007, I presented consideration for your endorsement for Onondaga County Legislator 6th District to the officers and members.

I am pleased to announce that the members voted unanimously to endorse you as our candidate for Onondaga County Legislator 6th District. You have demonstrated your commitment to the working men and women of Onondaga County and for this we are forever grateful.

We look forward to our continued working relationship.

Sincerely,
